

Dear CimTel Customer,

We are pleased to announce the addition of a couple of new channels to our CTi system!

TBD TV will be in in the CimTel Essential package. TBD TV will be on channel 224 and will carry action, fitness, gaming and music content. Find out more about TBD TV here: <http://tbd.com/tv/> .

Fox Business News will be in our Expanded package and it will be on channel 67. FBN will launch on April 3, 2017. Fox Business News discusses business and financial news. You can find more information on FBN at this site - <http://www.foxbusiness.com/> .
