

We are pleased to announce that we will be adding NewsMax and C-Span3 to our channel lineup effective March 1st. NewsMax will be found on channel 104 and C-Span3 will be on channel 42. Unfortunately, due to lack of viewership, our Fuse contract (channel 106) will not be renewed. Below are some details on the programming you will find on our new channels.

Newsmax TV is an American conservative news channel. The network primarily focuses on opinion-based talk shows. It carries a news/talk format throughout the day and night, with documentaries and films on weekends

C-SPAN 3 covers public affairs events, congressional hearings and history programming.
