

Valued CimTel Customer,

*In accordance with Federal Communications Commission rules, we provide you this notice that Cim Tel will no longer be offering cable service as of March 1, 2024.*

We have made the difficult decision to discontinue our television services. This decision was not made lightly as we know this service was valuable to many of our customers.

Unfortunately, the network programmers continue to raise their rates year after year. Rather than raise your prices to keep up with these programmer increases we have decided to terminate our television service effective March 1, 2024. Unfortunately, the following channels will be dropped before our final drop date:

Fox News, Fox Business, FS1 and FS2 will terminate Dec 1<sup>st</sup>  
KJRH, KTUL, KMYT and KOKI will drop Dec 31<sup>st</sup>.

In an effort to ease your transition to other sources of content, we are happy to provide guidance for what comes next. We are pleased to be providing a service called MyBundle.TV that will help our customers find the best streaming options based on what they like to watch.

MyBundle.Tv will help you navigate and choose the best services for your needs. You will have the option to choose from many networks that provide their own streaming services as well as streaming services that offer an experience that closely resembles cable.

To utilize the MyBundle.Tv recommendation tool, please visit our website: [www.CimTel.net](http://www.CimTel.net) or use the QR code below.

Thank you so much for your patronage and please let us know if there is anything we can do to support you through this transition.
